FEE CAPS

At RMA, our low \$475 per-transaction fee—combined with our annual Fee Caps—gives you the best of both worlds: pay less per transaction and less in total fees each year.

Whether you are a solo agent, team leader, or part of a growing team, our annual fee caps ensure you keep more of your income as you scale your business. Once your paid per-transaction fees reach the cap amount, you pay \$0 per transaction for the rest of the year.
